NOTICE 1512 OF 1996

SOUTH AFRICAN LAW COMMISSION

DISCUSSION PAPER ON THE APPORTIONMENT OF DAMAGES ACT, 1956

The Commission has published, for general information and comment, a discussion paper reviewing the **Apportionment of Damages Act, No. 34 of 1956**. This Act amended the law relating to contributory negligence and the law relating to the liability of persons jointly or severally liable in delict for the same damage in 1956. A review of the Act is necessary as its application causes several problems in practice.

In the discussion paper the Commission invites comments, *inter alia*, on the following preliminary proposals:

- ▶ In the light of the Appeal Court's decision in **South British Insurance Co. Ltd v Smit** 1962 3 SA 826 (A) the Commission proposed that all references to "fault" in section 1 of the Act be substituted by "negligent conduct". If "fault" in section 1 of the Act means negligence (which the Commission believes it does), then the Act should make it clear. This would necessitate either the repeal or amendment of the definition of "fault" in section 1 (3) of the Act.

- ▶ It follows from the Commission's interpretation that section 1 (1) (a) of the Act does not allow a defence of contributory intention.
- ▶ It is further recommended that the Act should apply to cases of breach of a statutory duty (where fault is a requirement) and breach of contract. However, the Commission is equally convinced that the Act does not cover no-fault liability on the part of the defendant.
- ▶ A "joint wrongdoer" is defined in the Act. The Commission, however, suggests a reformulation to make it clear that wrongdoers who are liable in terms of vicarious liability qualify as joint wrongdoers.
- ▶ By giving proper notice in terms of section 2 (2) of the Act a joint wrongdoer not sued in an action can be joined with the other joint wrongdoer(s) in that action and this will entitle such joint wrongdoer to intervene as a defendant. If a joint wrongdoer is not sued and no notice is given, then the plaintiff cannot subsequently sue that joint wrongdoer except with leave of the court. No major amendments to sections 2 (2) and 2 (4) of the Act are recommended.
- ▶ No major amendments to section 2 (3) of the Act are proposed. This section allows the court to order a separation of trials on application.
- ▶ The Commission proposes a re-arrangement and simplification of the various subsections dealing with costs.
- ▶ Section 2 (7) of the Act deals with the recovery of payments in excess of the amount apportioned to the joint wrongdoers. The Commission recommends that this section be repealed.
- ▶ Consequential changes are suggested to sections 2 (6), 2 (8) and 2 (10) of the Act. These sections respectively deal with contribution between joint wrongdoers, judgments in favour of the plaintiff and exemptions from or limitation of liability.
- ▶ The Commission also deals with the problem of contribution in cases of insolvency. It invites comment on the problems experienced in practice in this regard, and especially on the possibility of making a re-allocation of the apportionment in the event of it becoming impossible to execute against one of the joint wrongdoers in respect of his or her share, the introduction of full proportionate liability whereby defendants would be liable to plaintiffs only for the amount of damages equal to their proportionate share of the fault in the plaintiff's loss or whether some form of modified proportional liability should apply.
- ▶ No amendments to section 2 (12) and (13) of the Act are suggested. These sections respectively deal with payments in full settlement of the plaintiff's claim and discharge from liability once the judgment debt has been paid in full.
- ▶ The outdated references in the Act to, *inter alia*, the Motor Vehicle Insurance Act, 1942, and the Administration of Justice Proclamation, 1919 require amendment. Obviously, the Act no longer applies to South West Africa and section 6 of the Act can also be repealed.
- ▶ The Commission does not recommend that the Act be made applicable to collisions or accidents at sea.
- ▶ The Commission also recommends that the Rules Board should seriously consider introducing a third party procedure similar to that contained in Rule 13 of the Supreme Court rules for the Magistrate's Court.

These issues and other options for the improvement of the Act need to be debated thoroughly. The comments of all parties who feel that they have an interest in the proposed amendments or who may be affected by the type of measures discussed in the discussion paper are of vital importance to the Commission. All respondents are invited to indicate whether there are any other issues or options that they feel should be explored. **All interested parties likely to be affected by possible amendments to the Act should participate in this debate.**

Written comments or representations should reach the Commission by 30 November 1996 at the address given below.

The discussion paper is obtainable free of charge from the Commission on request. The Commission's offices are situated on the Eighth Floor, N G Sinodale Sentrum, 228 Visagie Street, Pretoria. The telephone number is (012) 322-6440 (requests for copies of the discussion paper: Mrs. P. NOTICE 1521 OF 1996**BOARD ON TARIFFS AND TRADE****NOTICE OF INITIATION OF AN INVESTIGATION INTO THE ALLEGED DUMPING OF UNGLAZED AND GLAZED CERAMIC WALL AND FLOOR TILES IMPORTED FROM OR ORIGINATING ITALY**

The Board on Tariffs and Trade received a petition alleging that unglazed and glazed ceramic wall and floor tiles, imported from or originating in Italy, are being dumped on the South African market, causing material injury to the South African industry concerned.

Petitioner

The petition was lodged by the South African Ceramic Tile Manufacturers' Association (SACTMA), which represents the South African industry. The petitioner alleges that its members are unable to compete with the low prices of the imported products and are therefore suffering material injury. The petitioner submitted sufficient evidence to justify an investigation of the allegation.

Products

The products allegedly being dumped are unglazed and glazed ceramic wall and floor tiles, classifiable under tariff subheadings 6907.90.00 and 6908.90.00, imported from or originating in Italy.

Allegation of dumping

The allegation of dumping is based on a comparison between the normal value in Italy and the f.o.b. prices for export to South Africa of like products. On this basis the estimated dumping margin is significant.

Allegation of material injury

With regard to material injury the petitioner alleges, and has submitted sufficient evidence, that the imports in question are suppressing its members' selling prices. It is further alleged that the prices at which these imports are sold in South Africa are significantly undercutting the already suppressed prices of the South African producers, resulting in depressed profit margins and a decline in market share.

Procedure

Having decided that there is sufficient evidence to justify the initiation of an investigation, the Board has begun an investigation in terms of section 4 of the Board on Tariffs and Trade Act, 1986. Interested parties may submit their views by completing the relevant questionnaire (of which copies are obtainable from the offices of the Board) and by providing supporting evidence. Parties who wish to discuss this matter should contact one of the Investigating Officers.

Time limit

Any information regarding this matter and any arguments concerning the allegation of dumping and the resulting material injury must be submitted in writing and must reach the Chairman, Board on Tariffs and Trade, Private Bag X753, Pretoria, 0001, not later than 30 days following the publication of this notice or, in the case of parties known to be interested, 30 days following the date on which the letter accompanying the above-mentioned questionnaire was received. The said letter shall be deemed to have been received seven days after the date of the letter.

If the required information and arguments are not received in a satisfactory form within the time limit specified above, the Board may make provisional or final findings on the basis of the facts available to it.

Enquiries may be directed to the Investigating Officers, Mr F. C. Dubbelman, at Telephone (012) 310-9816, and Mrs C. Grové, at Telephone (012) 310-9815.

KENNISGEWING 1521 VAN 1996**RAAD OP TARIWE EN HANDEL****KENNISGEWING VAN DIE INISIËRING VAN 'N ONDERSOEK NA DIE BEWERDE DUMPING VAN ONGEGLASUURDE EN GEGLASUURDE KERAMIESE MUUR- EN VLOERTEËLS INGEVOER UIT OF AFKOMSTIG VAN ITALIË**

Die Raad op Tariwe en Handel het 'n petisie ontvang waarin beweer word dat ongeglasuurde en geglasuurde muur- en vloerteëls, ingevoer uit of afkomstig van Italië, op die Suid-Afrikaanse mark gedump word en die betrokke Suid-Afrikaanse nywerheid wesentliche skade berokken.

Petisionaris

Die petisie is deur Suid-Afrikaanse Keramiese Teëlvervaardigersassosiasie (SACTMA), wat die Suid-Afrikaanse bedryf verteenwoordig, ingedien. Die petisionaris beweer dat sy lede nie teen die lae pryse van die ingevoerde produkte kan meeding nie en sodoende wesentliche skade ly. Voldoende bewys om 'n ondersoek na die bewering te regverdig, is deur die petisionaris ingedien.

Produkte

Die produkte wat na bewering gedump word, is ongeglaasuurde en geglaasuurde muur- en vloerteëls, indeelbaar by tarief-subposte, 6907.90.00 en 6908.90.00, ingevoer uit of afkomstig van Italië.

Bewering van dumping

Die bewering van dumping word gebaseer op 'n vergelyking tussen die normale waarde in Italië en die pryse vry aan boord vir uitvoer na Suid-Afrika van soortgelyke produkte. Op hierdie basis is die beraamde marge van dumping aansienlik.

Die bewering van wesenlike skade

Met betrekking tot wesenlike skade beweer die petisionaris, en het hy voldoende bewys daarvan gelewer, dat die betrokke invoer sy lede se verkooppriese onderdruk. Daar word verder beweer dat die pryse waarteen die ingevoerde produkte in Suid-Afrika verkoop word, die reeds onderdrukte pryse van die Suid-Afrikaanse vervaardigers in hoë mate ondersny, wat verlaagde winsmarges tot gevolg het en 'n afname in die markaandeel.

Prosedure

Na die besluit dat daar voldoende bewys ter regverdiging van die inisiëring van 'n ondersoek is, het die Raad begin met 'n ondersoek ingevolge artikel 4 van die Wet op die Raad op Tariewe en Handel, 1986. Belanghebbende partye kan hul sienings voorlê deur die invul van die toepaslike vraelys (waarvan afskrifte by die Raad se Kantoor beskikbaar is) en deur die voorlegging van stawende bewyse. Partye wat die saak wil bespreek, moet met een van die Ondersoekbeamptes in verbinding tree.

Tydsbeperking

Enige inligting in verband met die saak en enige redevoerings rakende die bewering van dumping en die wesenlike skade voortspruitend daaruit moet skriftelik ingedien word en moet die Voorsitter, Raad op Tariewe en Handel, Privaat Sak X753, Pretoria, 0001, nie later nie as 30 dae na die datum van publikasie van hierdie kennisgewing bereik of, in die geval van partye van wie dit bekend is dat hulle betrokke is, 30 dae na die datum waarop die brief wat genoemde vraelys vergesel, ontvang is. Genoemde brief word geag ontvang te gewees het sewe dae na die datum van die brief.

Indien die vereiste inligting en redevoerings nie binne vermeldde tydsbeperking in 'n bevredigende vorm ontvang word nie, mag die Raad voorlopige of finale bevindings maak op grond van die feite tot sy beskikking.

Navrae moet aan die Ondersoekbeamptes, mnr. F. C. Dubbelman, by Telefoon (012) 310-9816, en mev. C. Grové, by Telefoon (012) 310-9815 gerig word.
